

Co-Curriculum at Home

Monday 31st August – Sunday 6th September

Dear students and families,

Thank-you for another great week of participation in the Co-Curriculum @ Home program. Romero are the ones to watch in Secondary, with huge participation – they are closing in on Chanel for 1st place!

This week, we have another range of activities for you to try something new. This week there's a Father's Day theme, too. Take some time to celebrate your father and/or the father figures in your life.

[Click here](#) to access previous editions of Co-Curriculum @ Home.

A few important things to note before you engage with these activities:

- Many of these activities are run by third party websites and are shared in good faith.
- Please always exercise caution online.
- Be extra safe for activities that have a practical element or require use of equipment.
- Primary students should check in with a Parent/Guardian first before participating in activities.
- All participation in this program must follow Marymede school rules & Conduct in the Online Environment information sent by Ms Hall.

Happy exploring!

Ms Angie Bedford
Cultural Co-Curricular Coordinator P-12
