FROM THE PRINCIPAL

Dear Parents, Staff, Students and Friends of our Marymede Community,

Years 3, 5, 7 and 9 students sat NAPLAN tests this week. Data from these results allow schools to compare their students' achievements against national standards. A big aspect of NAPLAN testing at Marymede is the use of such data to influence future curriculum and assessment strategies. Thanks to our Heads of Learning & Teaching Mrs Andrea Agnew (7-12) and Mrs Nicole Pegler (P-6) for coordinating the testing.

2016 Enrolments

A reminder that today is the final day to submit 2016 Prep enrolment applications.

Families intending to take up the 2016 Year 7 enrolment offers should have returned their acceptance form to the College. Parents who have not done so are asked to return acceptance forms without delay to avoid the disappointment of having their enrolment offer withdrawn.

Secondary Mid-Year Examinations

Semester 1 examinations for Years 9-12 are only three weeks away. Students should ensure they are well prepared so they can achieve their best. Examinations give students valuable opportunities to refine revision skills and to develop examination techniques which are so important in Year 12 VCE examinations.

No Marymede parent should accept a claim by their child that they have no study to do at home. As a parent, change your question from "Do you have any homework tonight?" to "What are you going to study tonight?" The Resource Centre is open daily and extra help with subjects is available at school. Teachers are also available for questions and clarification via email.

Every Day Counts - School Attendance

We all want our students to get a great education and the building blocks for this begin with students coming to school each and every day. Missing school can have a major impact on a child's future – a student missing one day a fortnight will miss four full weeks by the end of the year. By Year 10 they will have missed more than a year of school.

There is no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes. Coming to school every day is vital, but

if for any reason your child must miss school, there are things we can do together to ensure they don't fall behind:

- Maintain communication with classroom teachers and Guild Tutors and find out what work your child needs to do to keep up.
- Develop an absence learning plan with the classroom teacher or Guild Tutor and ensure your child completes the plan.

From March 1, 2014 new laws were passed meaning that parents can be fined for not sending students to school without an acceptable reason.

If you are having attendance issues with your child, please let your classroom teacher or Guild Tutor know so we can work together to get your child to school every day.

Mother's Day

I hope all Marymede Mothers had an enjoyable day last Sunday with their loved ones.

Kind Regards,

Mr. Michael Kenny
Principal

FAITH AND MISSION NEWS

Then He said to the disciple, "Behold, your mother!" From that hour the disciple took her into his own household. (John 19:27)

With these words, as He was dying on the cross, Jesus Christ gave us Mary his mother, as our Mother.

May is the month dedicated by the Catholic Church to devotion to our Blessed Mother Mary.

When I was growing up, May the month of Mary was the month of 'Faith, Fun and Friendship' during the long and hot summer holiday period. Daily evenings were spent with the youth of the parish first praying the Rosary in church, then walking to the parish hall for 'Summer Club' to enjoy many activities and laughs. During the other 11 months of the year, we said the daily rosary as a family before the evening meal.

The link below provides a step by step guide to praying the holy rosary as a family or personally during May:

http://catholicism.about.com/od/prayers/ht/Pray_the_Rosary.htm

Let us pray

O Queen of Homes: by the power of the Rosary we beseech you to embrace all the members of our family in the love of your Immaculate Heart. May you abide with us and we with

you, praying to you while you pray for us. May you fill our family with love and peace in our homes as once you did at Nazareth with Jesus and Joseph, filling them with the holiness of your presence and inspiration. Amen.

Year 9 Challenge Camp: A Reflection by Ajay Jay and Simran Rainu

Prior to the Year 9 Challenge Camp, I thought camps involved cabins and food cooked for us. Instead, carrying a backpack for 8km was definitely a feat for me. Setting up my own tent in darkness was not what I expected. This camp pushed me to do things I would not usually do. This was indeed a challenge. This camp was unquestionably one of a kind.

We walked around 5km the first day, up and down steep hills. I'm not sure what time we reached our camping site as our group leader took away our watches and devices. We sat in a circle and shared funny and scary stories while cooking dinner.

The second day we woke up around 6:30, walked 4km to the river and rafted 13km to our next camping site. Our group got really close and many of us became friends, almost like a little family. I would definitely recommend people to try this challenge camp. Yes, it was challenging for some and, before I went, I was complaining how this camp was not for me. Later I realised I was wrong.

Thank you to the other students, teachers and Outdoor Education Group staff who supported us.

Year 7 Captains 2015

After spending Term 1 getting to know each other in Core Groups, Guilds and on camp, nine students nominated for the position of Year 7 Captain and member of the Marymede Student Council (pictured – Rachel Alex absent) and presented speeches to the Year 7s on Thursday April 30. Some excerpts are below:

Alvina Shaji: As a leader, I will show kindness, respect others, show responsibility, show initiative, show integrity and be an ambassador for the school... 'Let us love, not only in words and speech but in truth and action' is our motto and that is what I wish to do if I am elected as year level captain.

Thano Jeyasingharajah: I have been in Chanel for the past 7 years and I am really proud of it. The other reason why I would like to be Captain is because I am willing to give up my time during Recess, Lunch and class times to help teachers set up during special occasions, Masses and assemblies.

These excerpts show the calibre of many of the speeches presented. The College Leadership Team, on May 7, ratified the following students as 2015 Year 7 Captains: Rachel Alex and Thano Jeyasingharajah. Congratulations!

HEAD OF SECONDARY RELIGIOUS EDUCATION

Dear Parents of students in Years 5-10,

I strongly encourage all parents who face the daily challenges and struggles of raising teens today or children on the cusp of adolescence to attend the following seminar series on offer by the College in collaboration with MenALIVE Ministry:

THE CHALLENGE OF PARENTHOOD TODAY - A TWO PART SEMINAR SERIES FOR PARENTS OF STUDENTS IN YEARS 5-10

Presenter, Robert Falzon is a husband, father, businessman, co-founder of MenALIVE and published author. Since its foundation in 2003, MenALIVE has run events which have touched 15,000 people. In 2011 Robert published his first book 'How to Grow a Men's Ministry' followed by 'The Father Factor' in 2014.

I look forward to seeing you at these two evening events.

SECONDARY LEARNING AND TEACHING NEWS

End of Semester Exams

Year 10, 11 and 12 students will undertake their Semester 1 examinations between Friday June 5 and Friday June 12. The schedules and some associated information are attached to this newsletter. To ensure we maximise teaching and learning time, the examination period is now one week with three sessions each day. Therefore, some examinations will require attendance at the College before or after standard class times. Students need to be present and lined up 15 minutes prior to the advertised start time of all examinations, wearing full winter uniform and prepared with their student ID card and writing materials in a clear plastic bag.

Any student studying a Unit 3 & 4 subject must sit the GAT on Wednesday morning. Students with examination clashes should see me urgently to organise rescheduling.

Year 9 students will sit six examinations between Monday June 15 and Wednesday June 17. As this is their first formal examination experience, please read the information supplied contact me if you have any questions or concerns.

All students have been emailed an examination timetable along with information regarding rules and procedures and suggestions about preparing for the examination period. Please

discuss good eating, sleeping and study habits with your son/daughter so that they are able to perform to the best of their ability. Study for examinations should begin now - not the week prior. Please encourage your child to plan a study timetable so they are well prepared for this important assessment period.

Performing Arts News

On Wednesday April 22, the **Year 12 Drama class presented their Ensemble Performances** which explored the Salem Witch Trials through the performance styles of Theatre of Cruelty and Epic Theatre. The performances reflected many months of work.

Later in the week, they visited the Melbourne Theatre Company to view a **performance of 'I Call My Brothers'** which will be assessed on their end of year examination. They all participate in pre- and post-show discussions with the actors and the creative team.

On Friday May 8, Marymede students were treated to a performance by **International 'Urban Circus' performers, the 360 Allstars**. Over 250 students from Prep to Year 12 packed the Theatre to see performances such as basketball freestyling, breakdancing, a Roue Cyr artist and a BMX flatlander. Some lucky students won a signed poster and Grade Six students, Jarnai and Nandana, were lucky to have a quick moment afterwards with the stars and interviewed them for a school project.

CEOM Wellbeing Drama Festival

The Year 9 Drama students are working hard devising performances for this year's CEOM Wellbeing Performance Festival. We have two entries from 901 and 902 Drama. 901 Drama have been working hard devising a performance on 'Bullying - Warped Realities' while 902 Drama have been devising a performance focused on the effects stereotypes and judgment can have on our society.

The festival is a wonderful opportunity for the students and will be held on Monday June 22 at the Whitehorse Centre, Nunawading at 7pm. The ticket order has been finalised and tickets purchased will be distributed to students during class time.

Media Masterclass

Members of the Year 12 2014 Media Class were invited in as guest speakers to run a SAT Masterclass/Q&A Session with the current Year 12 students on Friday May 1 and Thursday May 7.

The panel, including Madeline Lancaster, Nicholas Musto, Rebecca Pannell, Teagan Carlton, Genna Sbaglia and Amy Williams, discussed their triumphs, tribulations, and pioneering achievements of completing VCE Media last year. The panel reflected on what they learnt and gave the current students invaluable advice on preparing for exams and assessment tasks and how to succeed in their studies. The students found the masterclass to be very insightful and motivating.

Rebecca Pannell and Amy Williams are both studying Media at Swinburne University of Technology.

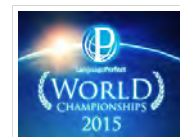

of Melbourne. Not only did this excursion inspire me with the creation of my own media production, it was also a fun day spent with my peers.

Education Perfect – Language Perfect World Championships 2015

Marymede students are registered to participate in a very exciting learning experience - the Language Perfect World Championships.

Held from Monday May 18 to Thursday May 28, this is an opportunity for our students to compete online against over 1,000 schools and 300,000 students from around the world to learn vocabulary in a range of foreign languages. Our students have 10 days to answer as many questions they can, earn points and compete for awards and prizes. The \$100,000 prize pool includes university scholarships, travel exchanges, and even a fully paid one-week internship at Education Perfect HQ in Dunedin, New Zealand. It's fast paced, exciting and very competitive. We wish all Marymede students the very best during this competition. If you are interested in finding out more, please feel free to contact Carla Esposito or follow this web link below:

Year 10 'Why Learn Japanese?' Student Forum Excursion

On Friday May 8, students studying Japanese had the opportunity to join over 880 students from schools across Victoria to the 'Why Learn Japanese?' student conference. Held at Monash University, the conference provided students not only with cultural performances but with guest speakers who shared their experiences with the Japanese language and the opportunities it had provided them with.

We arrived at the conference to a booming Taiko Drum performance followed by a Judo demonstration. A variety of guest speakers spoke of their experiences living and working in Japan doing everything from investment banking, finance, teaching English, performing on Japanese game shows and working in rural areas on orchards in exchange for food and accommodation. All the speakers noted how welcomed they

Year 12 Media Excursion to Top Screen

On April 29, my classmates and I were fortunate enough to attend Top Screen (VCE Season of Excellence), held at ACMI in Federation Square. For our major piece of assessment this year, we are required to create either a short film, a series of photographs, or a print product (such as a magazine). The opportunity to see some of the highest-scoring films constructed by Year 12 Media students from across Victoria last year proved to be an invaluable experience, as it demonstrated what we need to do and include in our own SATs in order to achieve our best and realise our potential.

I, alongside my peers, learnt many things, specifically regarding the importance of organisation and ensuring our folio work is as thorough as our practical work. The films we observed touched upon some controversial, dramatic and relatable topics and I particularly enjoyed seeing the different ways Year 12 students could present a unique viewpoint on certain issues. After the screening and Q&A with a VCAA State Reviewer, we had the opportunity to utilise our camera equipment and capture photographs or video footage of beautiful sights within the city

were into their new communities and the ties they had developed with Japanese culture and society. Students were encouraged to take on the opportunities that result from having the knowledge of another language and they gained a deeper understanding of the places that the Japanese language could take them in the future.

Celebrating the Visual Arts

Visual Arts Week was a great experience seeing students across the College getting involved and showcasing their creativity. There was daily art quiz questions, chalk drawing, cartooning and a delicious cupcake sale which presented the Year 10 food technology students' decorative talents. Students were invited to make a film in an Eight Hour Film project, the sort of challenge some upcoming Media enthusiasts in Year 7 took on with great determination.

In all, Visual Arts Week was a fantastic experience which allowed myself as Visual Art captain and all students who participated in the lunchtime activities to develop our artistry and talk to other like-minded peers across each year level.

Debating News

Debating teams are now well established at Marymede and, this year, we have teams at A, C, and D grades working hard to prepare and deliver debates on topics selected by the Debating Association of Victoria. Some recent successes include our A grade team members (Cindy Do, Olivia Hughes and Gemma Parsons) winning Round 1 against Kilmore International School, C grade female students (Samantha Gaunder, Karmaria Brancato and Laura Daniele) winning Round 2 against Loyola College and C grade male students (Rick Krstevski, Noel Augustine and Ajay Jay) won Round 2 against Reservoir High School.

Kamaria Brancato (Year 9) and Noel Augustine (Year 8) won the title of 'Best Speaker' for their rounds while in debates pitched at a Year 10 level. Congratulations to all debating students and their teacher-mentors: Rochelle Coyle, Ashleigh Klar, Elise Piovesan and Allison Lemar.

Mother's Day Celebrations – May 8

Once again we had the opportunity to welcome excited mothers and grandmothers to enjoy some time with their children in the classrooms. We were overwhelmed by the number of people who were able to attend and appreciate the support given to such events and the interest that is taken. I trust that all mothers enjoyed a lovely Mother's Day with their families.

School Photo Reminder

Please note that school photos will take place on Monday May 18. Primary School students are to wear their full winter uniform. If students have PE or sport on this day they need to bring a change of footwear to change into for sport.

Please note that Information in regard to **absentees and siblings photo** is provided later in the newsletter.

What have the Primary SRC been up to lately?

At the SRC meetings, we are working hard to help change the school. The SRC, Guild Leaders and the Primary Captains are split into four groups: Communication, Wellbeing, Environment and Social Justice. These are the things we have been doing in our groups.

Communication: Creating a website and News Channel for the Primary School. This should be finished shortly. We are also helping with the 3-5 Interclass Sports.

Wellbeing: An Art Club at lunchtime for art-lovers! We are also helping with the 3-5 Interclass Sports.

Environment: Fixing our current taps for a better design. We also entered a Grant to win \$500 for our school.

Social Justice: Making posters about Cyber Safety and why it is important.

Morning Tea

On May 6, the Years 3-6 SRC members and the Guild leaders went to a morning tea with the Secondary Guild Leaders. It was a great opportunity to get to know one and other and I must say the food was delicious. After the morning tea, Mr Kenny gave a wonderful speech.

On behalf of all Primary SRC members, thank you Ms Besselaar and Mr Kenny and all the other Marymede staff who made the morning tea amazing.

Parent Helpers Required

We are looking for more parent helpers to assist our Year 2 teachers and students during period one (9am-10am) each Monday, Tuesday, Thursday and Friday. Parents who have completed the Parent Helper's Training course at this College within the last three years and hold a current Working with Children Check can assist in any Prep to Year 2 classroom but we are currently looking for assistance in Year 2. Even if your children are not in Year 2, your assistance is greatly appreciated so, if you think you can help, please contact me or Mrs Leanne Easdon at the Primary School Office on 9407 9000.

I would also like to take this opportunity to thank all parents currently volunteering their time in various ways, your assistance is much appreciated.

We also look forward to having parent helpers in the Prep classrooms commencing in Term 3.

Ms Maree Mullen

Head of Primary School Literacy

Marymede AFL Aus Kick

Starting in Term 3, Marymede is offering its current students in Prep, Year 1 and Year 2 the opportunity to participate in the AFL Auskick program. Students are invited to attend a one hour coaching session on Friday afternoons at 3.45 starting from July 17. Sessions will be held on the main oval. If you would like your child to participate please register on to the website www.aflauskick.com.au and search for Marymede. All registrations must be completed online.

Gerard Large, the Primary PE teacher will be coordinating and coaching the sessions and is looking for parent volunteers to assist. We aim to involve parents as much as possible in the weekly sessions to teach the skills of the game in an exciting, fun and social environment. If you would like to assist as a volunteer please contact Gerard at gerard.large@marymede.vic.edu.au

Primary Interschool Sports

We have completed the first two weeks of the Bridge Inn Netball and Football Interschool Competition

Football. Our football team had a great win in Round 1 against Morang South winning 39-0. In Round 2, they played away against Whittlesea and won 61 to 13.

Both our A grade and B grade Netball teams got off to a great start and were victorious in Round 1 winning 21-8 and 16-0 against Morang South. In Round 2, they played against Whittlesea and our A grade team won 19 to 1 while the B grade team won 10 to 5.

WHOLE SCHOOL NEWS

Absentee / Sibling Photo Day

Sibling/family photos will be taken at the College on Monday May 25 and any student who was absent on the original College Photo Day (Monday May 18) will also have their photos taken.

The College has close to 500 families with siblings, therefore, to aid organisation, families wanting a sibling/family photo must register interest by email (please include family name, the names and the year levels of your children) to rsvp@marymede.vic.edu.au by 3pm, Wednesday May 20.

Sibling/family photos need to be paid for prior to photo day. The eldest child in the family should collect an order/payment envelope from the Primary School, Secondary School or Main Office and bring this with them to give to the photographer on photo day.

Once the photo is taken, your eldest child will be given a card by Aussie School Photos containing instructions and a unique code. About a week after photo day, you can view proofs and consider further package options on their website. Should you choose to make amendments to your order, you can contact Aussie School Photos Customer Service on 9707 6655.

All students having a photo taken on Monday May 25 are to wear their full College Winter uniform.

Recycle Your Oral care Waste

Marymede is participating in the Colgate Oral Care Brigade, a unique recycling solution in partnership with Terracycle. Simply collect your **used and empty** oral care waste (any brand is accepted), send it to school with your child and we'll ship it to Terracycle to be recycled. The following items and outer packaging can be included: toothbrushes, toothpaste tubes and caps, floss containers. Collection bins are in all Primary Houses, Primary School Office and will soon be placed around the Secondary School. We look forward to this new and exciting project.

CANTEEN NEWS

A friendly reminder that lunch orders for either Primary or Secondary students are placed online at www.flexischools.com.au. Orders are accepted until 9pm the night prior to your order.

If your child is absent on a day they have a lunch order, please notify us at on 9407 9000 by 12:00p.m. so that either the lunch order can be cancelled and money automatically refunded to your FlexiSchool account or the lunch order can be organised for another day. We are unable to offer any refunds after this time has passed.

While care is taken when actioning lunch orders by us and our supportive group of volunteers, errors may occur. In the Primary School, if your child does notice something missing or incorrect in their lunch order, they can speak to their teacher. Secondary School students are welcome to come down themselves and we will happily correct any error.

The canteen is always looking for volunteers. As an incentive, our volunteers' children enjoy a complimentary lunch order the day they are rostered on. Please email us at canteen@marymede.vic.edu.au if you think you may be able to assist.
