## FROM THE PRINCIPAL

Dear Parents, Staff, Students and Friends of our Marymede Community,

May is traditionally the month dedicated by the Church to Mary and as this Newsletter is the last one for May, I wanted to share with you a few of my thoughts on Mary our Blessed Mother.

Through the gospels, we came to know of Mary, of her love for God and her desire to do His will in accepting to become the Mother of Jesus our Saviour. She was a strong woman who had faith in what God wanted of her, a perfect example of motherhood and the first of the disciples of Jesus.

I encourage all members of our Marymede Community to ask Mary to intercede when we find ourselves in need of consolation and to follow her example of trust and love of God.

### Return of Weekend Mass to Marymede

Our Director of Faith & Mission P-12, Ms Julia Wake and I recently met with Fr. Anthony Girolami (Parish Priest of St. Francis of Assisi Mill Park) and he has agreed to our request to have a Mass on a Sunday morning once a month in our College Chapel.

This is in response to a number of staff and parents who have asked for this to happen. I am delighted that Fr. Anthony is very happy to make himself available to be one of our celebrants.

Families will be surveyed in due course, as we are keen to determine what timeslot on a Sunday morning best suits our Marymede Community. It is anticipated that our first Sunday Mass will take place early in Term 3.

### Prep 2020 Enrolment Applications: 24 May

A final reminder that Prep Enrolment Applications for next year close tomorrow, 24 May. I have been delighted with the number of applications we have received and as a result, applications received after tomorrow will go on the waiting list.

### Crunch Time

It is now nearing the end of Week 15 of the semester, which some may call crunch time with our Years 9-11 students sitting their end of semester exams in a little over a fortnight. It is also a time when major pieces of assessment are due from our Units 3 & 4 students.

Students will reap the rewards of their dedicated study as they work through this peak time without too much stress and hassle. I encourage students to plan carefully and seek their teachers' help when problems arise.

### Staff News

Congratulations to our Registrar, Mr. Matthew Luczek, and his wife Melinda on recently becoming parents. Mum and daughter Charlotte are in good health and Matthew is one very proud Dad!

## DEPUTY PRINCIPAL LEARNING AND TEACHING NEWS PREP – YEAR 12

### Semester Two

On June 18, Semester 2 will begin for all students from Prep – 12. This means that any student currently studying a semester-long subject will move into their second semester subjects from the last two weeks of Term 2. These single semester subjects include:

- Prep to 4 students in Visual Arts and Performing Arts;
- Year 7 students in Languages, Visual Arts and Drama;
- Year 8 students in the Digital Technology, Food Technology, Visual Arts and Dance;
- Year 9 students' elective studies; and

- Year 10 students' studies in Humanities, Science, Health & Physical Education, Visual Arts, Technology, Performing Arts.

Students' Semester 2 timetables will be available in the week prior to this change.

## General Achievement Test (GAT)

On June 12, all students enrolled in one or more Unit 3 VCE or VET study will sit the General Achievement Test (GAT). While the GAT does not directly contribute to students' ATAR, it serves two important roles for students in their final year of their secondary studies in VCE.

The GAT acts as an 'insurance policy' for students. In situations where students are impacted by significant illness or serious personal circumstances at the time of a VCE external assessment and the result they achieve is not a fair reflection of their learning and achievement in the study, they may apply for a Derived Examination Score. Their GAT result is a key measure used in calculating a derived score and, as such, the students benefit from performing as well as possible on the GAT in terms of the derived score they will receive if things go wrong.

The GAT is also used as a moderation tool when the Victorian Curriculum and Assessment Authority (VCAA) allocate study scores based on students' results on the final examinations and in their course work. Once again, students benefit from performing as well as possible on the GAT.

The General Achievement Test is a test of general knowledge and skills in

- Written communication
- Mathematics, Science and Technology
- Humanities, the arts and social sciences.

The test examines the general knowledge and skills that students gain throughout their schooling. It is not something students need to specifically study for; however, students may benefit from being familiar with the types of questions and tasks they will encounter on the GAT and with the overall structure of the test.

It is mandatory that all students enrolled in one or more scored Unit 3 study (ie. a Year 12 subject) attend the General Assessment Test (GAT) as scheduled on June 12. If any student encounters emergency circumstances on the day of the GAT, they must contact VCE Coordinator, Mr Vincenzo Rovetto immediately. Students will receive further information by email regarding the arrangements for the GAT, including seating arrangements, marshalling times and other key details.

More information on the GAT can be found at:

<https://www.vcaa.vic.edu.au/Documents/GAT/2019GATBrochure.pdf>

Previous GAT Question Books and Answers can be located at:

## Semester One Examinations

Year 9-11 should be in full swing preparing for the Semester One examinations from June 12-15.

As we tell our students each year, it is very important that students take the opportunity in Years 9-11 to develop their examination skills in preparation for VCE. In VCE, the examination scores account for at least 50% of their final results. As such, students' results in their Year 10 & 11 mid-year examinations are a key factor in approving their VCE subject choices in 2020.

Students will have the opportunity to submit subject preferences for 2019 in Term 3 and will be guaranteed approval in their selected studies for Year 10 & 11 if they have achieved a minimum of 60% in the examination(s) in related studies. Students must achieve a minimum of 50% in both their English and Religious Education examinations to be approved to commence or continue in VCE.

Students who struggle to achieve a satisfactory result in the semester examination are unlikely to be approved to study related subjects in 2020. However, we aim to give students every opportunity to consolidate their learning and, as such, students who achieve a result below 50% will have the opportunity to re-sit examinations at school on Monday July 1. For students who are required to re-sit examination, the original mark will appear on semester reports; however, the re-sit mark will be considered in the subject selection process. Students required to attend a re-sit will be notified as early as possible in the week prior to July 1 to give them the opportunity to seek feedback from their Semester 1 teacher and identify the areas of the examination they need to revise and consolidate prior to the re-sit day.

## Trial Examinations

Year 12 VCE students and Year 11 students enrolled in accelerated studies will complete their Unit 3 trial examinations from July 1-3. These trial examinations are an important part of their preparations for the end-of-year examinations in October and November this year. The trial examinations are compulsory and any students who encounter emergency circumstances on the day of their examination(s) must contact VCE Coordinator, Mr Vincenzo Rovetto at [vincenzo.rovetto@marymede.vic.edu.au](mailto:vincenzo.rovetto@marymede.vic.edu.au) or Ms Tracey Kift by email at [tracey.kift@marymede.vic.edu.au](mailto:tracey.kift@marymede.vic.edu.au) in advance of the scheduled examination.

## Sacrament of First Holy Communion 2019

Preparations are underway for our First Holy Communion by our Year 4 teachers and support staff. For 2019, the celebration will be held at St Patrick's Cathedral on 22 June at 2.00pm, con-celebrated by Fr Martin Ashe and Father John Murphy. In the three weeks leading up to this celebration all Year 4 students and their families are encouraged to attend a Community Mass, 8.00am Wednesday, to give out their prayer cards to the community.

## May – The Month of Mary

The month of May is a special time for Catholics to pay their respects to the Blessed Mother Mary. Marian prayers or Marian devotions are acts of praying to Mary, the mother of Jesus. Marian prayer is not worship. It is asking Mary to intercede for you and/or other people, in getting your prayer to Jesus and God. During the month of May we invite all families to take some time to pray and meditate on the Rosary. You are welcome to visit the college Chapel of Annunciation to pray within and visit our Mary prayer space.

## Reconciliation Week – Grounded in Truth, walk together with courage – 27 May to 3 June

#NRW2019 Campaign

At the heart of reconciliation is the relationship between the broader Australian community and Aboriginal and Torres Strait Islander peoples. To foster positive race relations, our relationship must be grounded in a foundation of truth.

Aboriginal and Torres Strait Islander peoples have long called for a comprehensive process of truth-telling about Australia's colonial history. Our nation's past is reflected in the present and will continue to play out in future unless we heal historical wounds.

Today, 80 per cent of Australians believe it is important to undertake formal truth telling processes, according to the 2018 Australian Reconciliation Barometer. Australians are ready to come to terms with our history as a crucial step towards a unified future, in which we understand value and respect each other.

Whether you're engaging in challenging conversations or unlearning and relearning what you know, this journey requires all of us to walk together with courage. This National Reconciliation Week, we invite Australians from all backgrounds to contribute to our national movement towards a unified future.

## 'Realtalk' Parent / Caregiver Evening – Tuesday 28 May, 7.00pm

These workshops are contemporary, age-appropriate and honest. We recommend that parents / guardians of our Year 8 and 10 students in particular, attend the parent evening on the Tuesday evening. It is open to all interested parents. Please see the flyer for further information.

## Picnic at Hanging Rock

This year for the first time, Marymede Catholic College are presenting a school play. This dramatic production is being performed by students in years 10-12 and features a cast of very hard working and engaging students.

The play, *Picnic at Hanging Rock*, tells the story of a school picnic on Valentine's Day in 1900 when, on a school excursion three senior students and their maths teacher mysteriously disappear on Hanging Rock. The aftermath leaves the remaining characters to deal with suspicion, lies and intrigue as the mystery is investigated.

Picnic at Hanging Rock will be performed in the school auditorium in the Performing Arts complex on Thursday May 23 and Friday May 24 at 7pm. Tickets are available through trybooking

## Rostrum Voice of Youth Speaking Competition

On Sunday 19 May two nervous yet very well-prepared Year 7 students, Ashna Sajeev and Elissa Dimoski, competed in the Rostrum Voice of Youth Speaking Competition at St. Monica's College in Epping. The girls chose from a range of topics to prepare a 6 minutes speech, with Ashna choosing 'Generosity of strangers' and Elissa choosing 'Be part of the discussion'. Hours were spent prior to the competition penning the perfect speech which captured the girls' passion and writing ability. Once the speeches were finalised, the girls spent time rehearsing to ensure they conveyed the appropriate tone, volume and eye contact. Both girls performed extremely well, with the Chief Adjudicator commenting on the 'above standard' speeches in this round. Elissa went on to compete in the Semi-Finals, whereby she was required to write and deliver a speech with 15 minutes preparation on an unknown topic – no mean feat! Unfortunately, Marymede Catholic College did not advance to the State Final, however, the talent both Ashna and Elissa showed competing against Year 8 and 9 students indicates we will be the ones to watch in 2020.
